* HIGH SCHOOL NOTES *
* (By High School Reporter.) *

The debaters left for Marlow Friday afternoon. The school is confident of success for our representatives.

The basket ball boys also went to Marlow Friday and the basket ball girls to Mangum.

The Philomathean society held a very interesting meeting Wednesday night.

The football boys have turned their pencils over to the basket ball girls, since the girls' carnival has made the boys "financially independent." The girls need the money from the pencils and owing to their superior ability as salesmen they are getting it.

The inter-class basket ball games are arousing "pep" in the school. The Juniors are ahead of the Seniors so far, though the latter have one more chance and the games have been very interesting. The Sophomores defeated the Freshmen Thursday night.
